

MAHARANI PUNAM SAHI B.ED. COLLEGE

(Recognised by NCTE and affiliated to Jai Prakash University, Chhapara)

HATHWA, GOPALGANJ, BIHAR
www.maharanipunamsahicollege.com

Aims and Objectives

Maharani Punam Sahi BEd College aims at the synthesis of spiritual value of the East and scientific spirit of the West. The main thrust of all the activities of the Maharani Punam Sahi BEd College is the development of a complete personality. The institution firmly believes that the personality consists of interdependent components, each being equally important requiring equal attention and can only be developed through a wholesome education. The 'Panchmukhi Shiksha' which has evolved from experimentation, attempts a balance among the five necessary aspects of education: Physical, Practical, Aesthetic, Moral and Intellectual.

Physical: Under physical education programme, various activities like parade, shooting, riding, flying, girl guiding, bulbul, swimming, yoga and various modern and traditional sports like kabbadi, kho-kho, hockey, basket ball, badminton, long jump, high jump etc. are included. Students who have opted for a physical activity under the Five Fold Education programme compulsorily take a Fitness Assessment test.

Aesthetic : Students learn music and painting. They can choose either music (vocal or instrumental) or painting. Dance education is being provided to the students.

Practical : Under practical education sanganary printing & dying, butique, bandhej, tailoring, embroidery, craft etc. are included. Under domestic education, students are supposed to perform cleaning and washing and collective Shramadan.

Moral : The aim of moral education is to develop personality of the students, so as to cultivate in them the feeling of respect for all religions. It is achieved by the means of weekly prayers, talks, Veda, Geeta & Ramayana path etc. The common evening prayer and Udbodhan program is unique.

Intellectual : Intellectual education is being given to the students in order to avoid the relative aspects of modern education. Natural and social sciences with languages and Maths are being taught with sciences from the beginning. Education methods are adopted with the help of projects related to social and natural environment. It gives emphasis on practical education.

About Trust

Diksha Educational Research Foundation Private Charitable Trust established in the year 2005, is an institution which has a vision and objective to engage and work towards an inclusive growth of the youth for upliftment, development and enhancement of human resources for individual career growth. Our Mission is to ensure quality and the purpose is to establish, maintain and successfully run academies and institutions duly recognized by competent authorities. With its corporate office situated at Ram Bhawan Palace (Hathwa House,) South Gandhi Maidan, Patna-800001, Bihar. We, at Diksha Educational Research Foundation Private Charitable Trust, strive to assist the needy ones in every possible way; as a result, we award scholarships and suggest other means for the advancement of the talented individuals who are financially not robust and belong to the weaker sections of the society. Furthermore, we provide medical assistance to handicapped or otherwise incapable people and financially aid the poor if needed. We even aim to establish, provide, maintain, and conduct or otherwise subsidize research laboratories and experimental workshops for scientific and technical researches and tests as well as promotion of studies in such fields.

At present the Diksha Educational Research Foundation Private Charitable Trust is running Imperial Public School at Hathwa, Gopalganj, Bihar which has been the seat of the Maharajas of Hathwa whose present descendent Shri Mrigendra Pratap Sahi is the trustee. The school is affiliated by Central Board of Secondary Education upto senior Secondary level.

Toward the enrichment of the educational standard of the locality the trust has started teacher's training college namely **Maharani Punam Sahi B.Ed College** recognised by the NCTE and affiliated to Jai Prakash University, Chhapara, Bihar.

About Us

Maharani Punam Sahi BEd. College has been established by the parent trust DERF (PCT) and it is recognised by the NCTE and affiliated to Jai Parakash University Chhapra. The Chairperson, Her Highness **Maharani Sahiba Smt. Punam Sahi**, has put every single drop of her effort into the making of an institution an ideal one. Running under the expert direction and leadership of His Highness **Maharaja Bahadur Mrigendra Pratap Sahi**, the institution receives, with earnest gratefulness, bountiful benefactions from the ancient royal family of Bihar, the Hathwa Raj family.

Very often regarded as the pride of North Bihar, the college at Hathwa is well connected by train and road to other parts of India. It is just 20 kilometers away from the East & West corridor which passes through the district headquarters at Gopalganj, and is a half-an-hour drive from Siwan Junction railway station on Chapra-Gorakhpur section of the East-Central Railway. The nearest Airport is Patna Airport which is located at a distance of 175 kilometers from Hathwa.

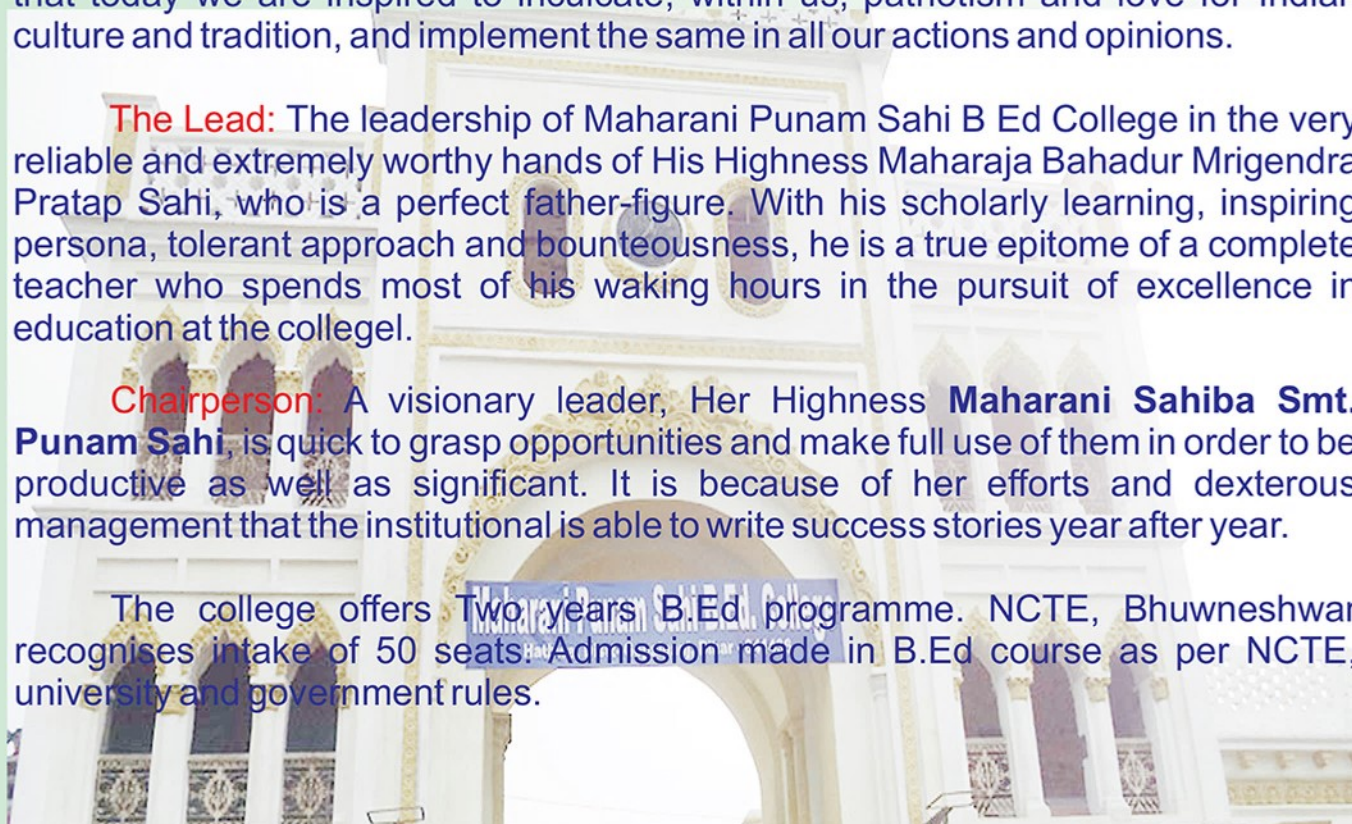

Source of Inspiration: The College establishment and its proceedings and activities thereafter, draw inspiration from one of the most magnificent personalities of Hathwa Raj, the **Late Maharaja Bahadur of Hathwa, Gopeshwar Pratap Sahi**. He was a learned figure and a true appreciator of education for whom education to one and all was not only desirable but obligatory as well.

Patronage: The institution enjoys the royal patronage of Her Highness Durgeshwari Sahi, Rajmata of Hathwa. To the family of Hathwa Raj Group, she has been an invariable torch bearer of Indian Culture and tradition, and it is all due to her that today we are inspired to inculcate, within us, patriotism and love for Indian culture and tradition, and implement the same in all our actions and opinions.

The Lead: The leadership of Maharani Punam Sahi B Ed College in the very reliable and extremely worthy hands of His Highness Maharaja Bahadur Mrigendra Pratap Sahi, who is a perfect father-figure. With his scholarly learning, inspiring persona, tolerant approach and bounteousness, he is a true epitome of a complete teacher who spends most of his waking hours in the pursuit of excellence in education at the collegel.

Chairperson: A visionary leader, Her Highness **Maharani Sahiba Smt. Punam Sahi**, is quick to grasp opportunities and make full use of them in order to be productive as well as significant. It is because of her efforts and dexterous management that the institutional is able to write success stories year after year.

The college offers Two years B.Ed. programme. NCTE, Bhuwneshwar recognises intake of 50 seats. Admission made in B.Ed course as per NCTE, university and government rules.

LIBRARY:

A library is an important asset for any center of higher learning which provides services and facilities to meet the requirements of learning, teaching, research & development and consultancy programs. Hence, efforts are always directed towards creating a very rich library having all important National and International journals/ newspapers, encyclopedia and magazines. The aim of Library is to fulfill the crucial role of supporting learning and teaching activities to all members of the College. With a collection of close to 3200 books in addition to hundreds of journals.

COMPUTER LAB:

The College provides a well equipped Computer laboratory for students to carry out their innovative and scientific experiments. The computer laboratory was redesigned in a unique sitting pattern to facilitate imparting of instructions as well as have freedom of movement between desks for the instructor to assist students individually. All the apparatus and PCs are upgraded to meet the requirements of changing technology and the University syllabi.

LABORATORIES:

The college has its own well-equipped furnished Physics, Chemistry, Biology, Mathematics and Psychology Laboratories for providing the students ample opportunities to conduct the experiments with scientific knowledge and principles

EDUCATIONAL TECHNOLOGY LAB:

It is utilised the most with full time engagement of students and faculty members to make them all ICT friendly. To ensure the smooth ICT Teaching Learning process the resource center is equipped with more than 28 computer systems of latest configuration and various audio-video aids including coloured television, OHP, cassette and CD player, video cassette player, video camera, digital camera, over head projectors with motorised and manually operated screen etc.

B.Ed. course is incomplete without an adequate practical experimentation and training in laboratories. At College great emphasis is laid on practical work. Students gain confidence when they personally handle the instruments, take measurements and analyze the results. College has well equipped laboratories with latest apparatus to facilitate their pupil teachers to freely conduct experiments related to their course subjects.

COMMUNICATION LAB:

The college has established one state of the art language Lab having 28 computer terminals with hi-tech software having provision for developing basic, intermediate and business level language skills. These have attached uniquely designed personality development cabins and group discussion rooms.

MUSIC, ART AND CRAFT CENTER:

Music and dance classes in both modern and classical forms are organized in the campus for the students, keep on refining their creative potential. Eminent trainers are engaged to teach and train the students on instruments and accessories to promote excellence in creative art.

AUDITORIUM AND MULTIPURPOSE HALL:

It takes great pride in hosting the daily assembly, talks by guest speakers, inter-college competitions, other functions such as the annual College day, movie screenings etc. Commonly known as the "Audi", it is the space created to display talent, encourage creativity, channel thought and foster communication. It can easily accommodate up to 100 and is extensively used almost every day to host its many activities. The sound system includes a 12-channel mixer and a studio master. The light room can operate almost 100 lights at the same time with the help of its electronic dimmer. The 40 × 60 ft stage has an automatic main curtain and two other curtains. There are also 16mm and digital video projectors, which can screen films and presentations as and when required.

HEALTH CARE:

B.Ed students, Faculty and Staff have access to health care facilities available at the hospital in campus. It is equipped with latest technological infrastructure providing diagnostic, curative and preventive services with advanced management systems.

YOGA MEDITATION:

The college has established a yoga and meditation center for the pupil teachers which is being run under the guidance of astute trainers. Students may participate in the Yoga and Meditation classes regularly in morning and evening hours. The faculty and staff along with their families also attended the classes for physical fitness.

CLASSROOMS:

The classrooms of College are very well-ventilated, spacious and fully equipped with the latest facilities and apparatuses.

SPORTS-GYMNASIUM & PLAY GROUND:

For overall development of students it is very important that they are mentally as well as physically fit. Keeping this in mind, College lays emphasis on the physical & mental health of the students, there is a Gym and three big playgrounds exist for track events, cricket and football games just adjoining the college building.

BANKING FACILITIES:

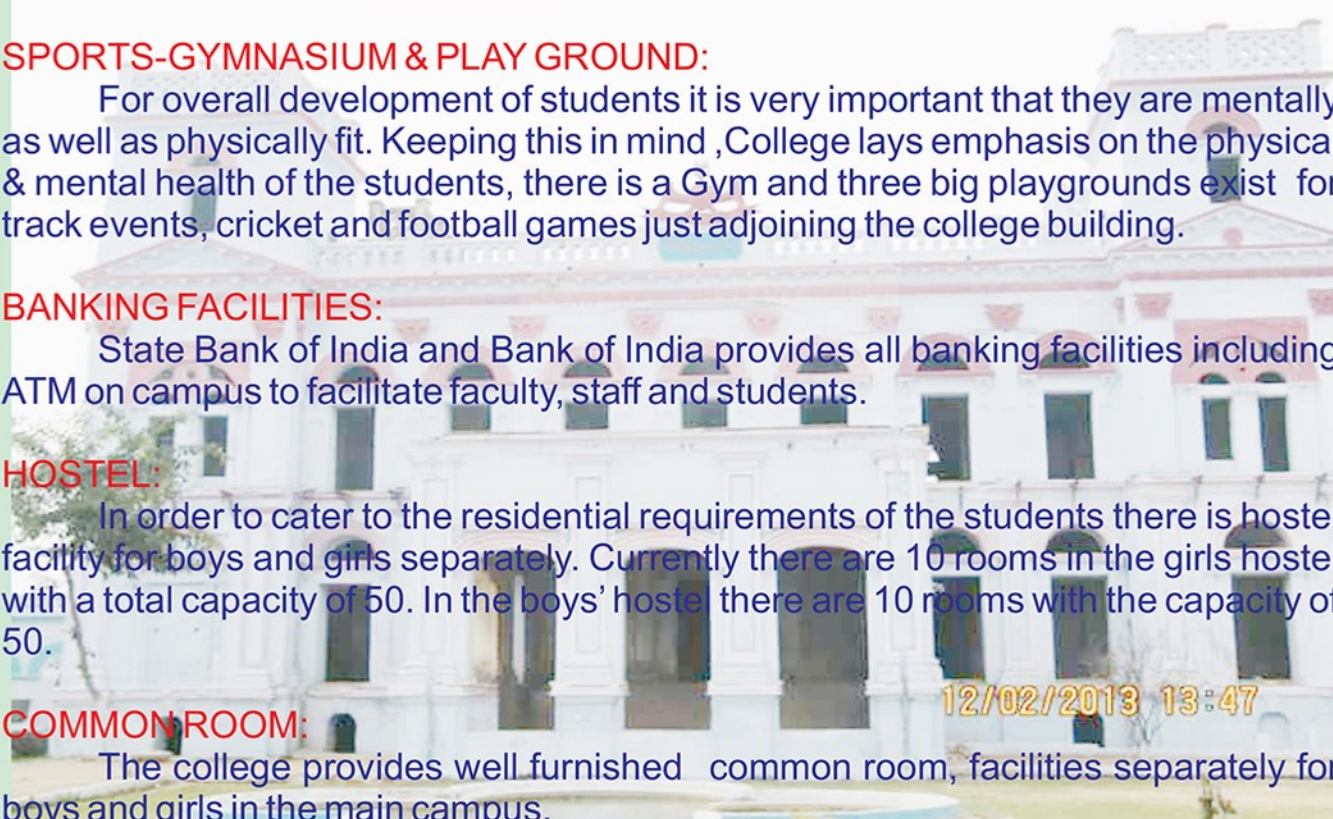

State Bank of India and Bank of India provides all banking facilities including ATM on campus to facilitate faculty, staff and students.

HOSTEL:

In order to cater to the residential requirements of the students there is hostel facility for boys and girls separately. Currently there are 10 rooms in the girls hostel with a total capacity of 50. In the boys' hostel there are 10 rooms with the capacity of 50.

COMMON ROOM:

The college provides well furnished common room, facilities separately for boys and girls in the main campus.
